Abstract

This book is all about the years after he disappeared, Thomas Daniels’s remains have been found and a murder investigation is underway. All three sisters- Dinah, a respected journalist, acclaimed actress Denise, and Hayley, hungry for her own chance at Stardom. They find their lives intersecting and unraveling again and piece by piece, they’ll confront the truth about that deadly night - and dark secrets that could turn one of them into a killer.

This book has some thrilling and exciting turns and twists. It's fun to read and sometimes I can’t put it down. I love this book, because it has a lot of drama. I give this book a 5 out of 5.

Highly Recommended: 5 out of 5 stars
